

Charitable Tax Receipting Program

Sutton Curling Club has decided to participate in a Charitable Tax Receipting Program to raise funds to help with the overdue and badly needed repairs to the ceiling of our curling club.

Curling clubs wishing to raise funds for special projects and have donors receive charitable tax receipts can register their program through the National Sport Trust Fund – Ontario – endorsed by Curl ON and the Ontario Curling Clubs. All Curl ON affiliated clubs are eligible to apply to this fund.

The fund is administered by SPORT4ONTARIO.

Through the operation of this program NSTF-Ontario (National Sport Trust Fund) is able to issue official tax receipts for all qualifying donations.

A donation made on behalf of the Sutton Curling Club through the National Sport Trust Fund will qualify for a charitable tax receipt issued to you.

- **Charitable tax receipts can be saved and used up to 5 years from date of issue**
